

## **Signed Federal Tax Return**

Please submit a **signed** copy of your and your spouse's (if married) or parents (if you are a dependent student) 2010 Federal Tax form. Common IRS tax forms include the 1040, 1040A, 1040EZ, and 1040Telefile.

If you do not have copies of your Federal Tax Forms, a free tax-transcript can be obtained by going to [www.irs.gov](http://www.irs.gov), then search "4506-T." This form must be printed, signed and mailed to the place indicated on instructions. You may also call the IRS at 1-800-829-1040, select option 2, and then option 2 again; enter your social security number and then press 3.

If you have any questions concerning this, please contact the Financial Aid office at 316-295-5200 or 1-800-794-6945 ext. 5200, for assistance.
