Blessings Abound for Door Step, Inc.

By Mary Duncan, M'09, President-Elect & 2nd Year AAB Member

October 31 through November 19, the Friends University Topeka Alumni Advisory Board challenged current students to donate food items for Door Step, Inc., a local charity that helps Topekans survive crises, improve their way of life and become self-sufficient.

Fifteen classes participated in the three-week long event and the class that donated the most items per student would win a pizza party.

The winning class was OML #415 whose students donated approximately 19 items per student for a class total of 115 donations!

On behalf of the Topeka Alumni Advisory Board, we want to give a special thank you to all of the classes who participated in the food drive. With their help, Friends University was able to donate a grand total of 753 items to Door Step, Inc.

What a valiant effort for such a worthy cause!

IMAGINE THE DIFFERENCE!

This Month's Trivia Question!

By Jennifer WasseMiller, G'00, 2nd Year AAB Member

Each newsletter, we ask a trivia question and give away a prize to one lucky person. Congratulations to **Heather Ashley, G'05/M'05**. Heather knew that during student appreciation week, the Topeka Alumni Advisory Board sold Friends logo'ed items at the special discount of buy one get one at half-price.

The clock tower on the Davis Administration Building on the Wichita campus will again be lit for the holidays. For this month's trivia question, we want to know how tall is the clock tower? (Hint: [click here](#) to check out the interactive campus map.)

We will place the name of **EVERYONE** who submits a correct response to alumni@friends.edu in a drawing to win a Friends University sweatshirt. Our winner will be drawn no later than **December 21, 2011**. Good luck!
