The U.S. Department of Education has indicated that you have had an Unusual Enrollment History (UEH) while receiving Federal Financial Aid (Title IV) funds. The purpose of the Unusual Enrollment History Flag is to identify students with a possible unusual enrollment history who may have received Federal Pell Grant and/or Federal Direct Loan funds at multiple institutions within the past four academic years. You are required to complete the UEH Form so we may determine your eligibility for future financial aid.

If you do not submit the required documentation or leave pertinent sections of this form blank you will be notified that your appeal form is considered incomplete. If you do not submit the required documents you will remain ineligible for Title IV aid and could personally be responsible for education expenses. **All documentation submitted is confidential.**

STEP 1: Previous Colleges Attended

The academic years we are looking at; 2015-2016, 2016-2017, 2017-2018 and 2018-2019.

STEP 2: Transcripts

Ensure that all official academic transcripts for all colleges/universities attended have been forwarded to the Registrar's Office (Financial Aid will accept unofficial transcripts only in order to evaluate UEH).

STEP 3: Printed or Typed Letter Explaining Circumstance for Appeal

If you failed to earned academic credit within the past four academic years while receiving Title IV aid, the U.S. Department of Education **REQUIRES** you to explain the circumstances which resulted in your failure to earn academic credits. Please submit along with this form either a printed statement (with the space provided below) or a typed statement which provides an explanation for your failure to earn academic credit. Please refer to a situation that occurred during those academic terms in which you failed to earn academic credit.

****Academic credit is earned if the official academic records show that the student successfully completed any credit or clock hours with a passing grade. Generally, at most institutions, a passing grade may be defined as A, B, C and in some cases, D. Generally, at most institutions, a non-passing grade may be defined as F, W, I, N, CP or AU.****

STEP 4: Supporting Documentation

You must provide documentation to support the circumstance(s) in your appeal. On the next page are a list of common circumstances. There may be other circumstances not listed, if so, please provide supporting documentation that will justify the reason for your appeal. **All documentation provided is confidential.**

Step 5: Decision

Once our review is completed, the decision for future financial assistance is final and cannot be appealed. Once all documentation is in, please allow 7-14 business days for your appeal to be reviewed.
