Love God • Love Others • Every Day

“A new command I give you: love one another. As I have loved you, so you must love one another. By this everyone will know that you are my disciples, if you love one another.”

JOHN 13: 34-35

Welcome to Friends University!

The college years are some of the most formative of your life. Here at Friends University, we believe God has a plan for your life and that a growing and engaged faith in Jesus Christ is what will allow you to most fully become the men and women God desires for you to be. This being true, we seek to provide you with numerous ways to explore faith and engage in formative experiences including worship, discipleship and outreach opportunities. Believing that the Church is the Bride of Christ and the hope for our world, we also want to help you become a vibrant and contributing part of a local church while you are here at Friends.

It is our sincere hope and prayer that as you journey through this season of life and become an engaged member of the Friends community, you will seek every opportunity to ask big questions, explore what you believe and figure out how you will live accordingly. Taking the initiative to make your faith your own and inviting God into every area of your life is what will truly make your time at Friends a transformative experience!

Know that we are here to walk this journey with you!

Thursdays at 11 a.m. | Alumni Auditorium

Discipleship

Community groups/spiritual life assistants/team chaplains

Individual pastoral care and mentoring

Our Campus Ministries staff provides a safe and supportive environment to help you navigate life's challenges. Regardless of where you are in your faith journey, our doors are open to meet with you to explore and expand your understanding of who God is, who you are and what you and God are doing together in the world.

Outreach

Local service projects

Love where you live! Impact the community by volunteering. Have an idea? Come tell us about it. Looking for a place to serve? We can help you find a great place to get plugged in. We love Wichita!

Immersion trips

Work with a team over school breaks to explore important issues in our world and serve alongside churches and organizations that are making a difference.
