

the **Friends** *commitment* **to you**

Finish as Planned

Get on track and stay on track. We will guide you through your program.

Academic Support

Friends University strives to promote the success of every student by providing individualized assistance and supplemental resources.

Career Advising: Mentoring, Networking and Coaching

Connect and grow with other professionals in your field.

Leadership, Service and Professional Opportunities

We encourage you to take an active role in your community.

Our Mission: *Friends University, a Christian University of Quaker heritage, equips students to honor God and serve others by integrating their intellectual, spiritual and professional lives.*

FRIENDS
UNIVERSITY

At **Friends University**, we are committed to your education, your future and your faith. You can always rely on Friends to provide you with:

- ✓ Small class sizes that ensure you receive personal attention.
- ✓ A caring, Christ-centered community with faculty and staff who care about your academic and personal growth.
- ✓ Class options to fit your life - on campus, online and real-time virtual classes.

When you commit to the next step of your education at Friends University, here's our commitment to you...

Finish as Planned

When you begin at Friends University, you, along with an academic success coach will map out your degree plan (course-by-course). We will evaluate your prior learning to maximize your credits counting towards completing your degree. You'll experience class times and formats that fit with work and family obligations. Degrees available are designed to maximize your career benefits. Finishing your degree will be worth it. If you follow the plan, you will graduate by the scheduled graduation date.

Career Advising: Mentoring, Networking and Coaching

Networking and career enhancement opportunities are available to connect with professionals in your field, learn about navigating career decisions and setting yourself up for success.

Academic Support

We encourage students to develop the academic skills necessary to be effective, efficient, and confident in all academic and professional environments. From guiding you through the coursework, assistance with writing papers to help with math, the Academic Success Coaches and Academic Resource Center are available for adult students in person or via email.

Leadership, Service and Professional Opportunities

We will promote participation in professional organizations, taking leadership roles in organizations, and serving through volunteer or paid opportunities. Students have the opportunity to join professional organizations in their field, local organizations (including a free membership to W/ through the Wichita Chamber of Commerce), student organizations and other opportunities for career preparation and enhancement.
