Meal Plan Definitions:

"Meal Tickets": A student has the allotted amount of meal tickets each week. Meal tickets reset on Saturdays at 11:00pm. Meal Tickets do not roll week to week, but rather are zeroed out and re-issued prior to meals on Sunday.

"Block Meal Tickets": If meals are stated as "Block Meals", these meal tickets are available to use at any point during the specific semester. Block Meal Tickets terminate at the end of every semester.

"Freddy Bucks": Freddy Bucks are cash that can be used at any dining location on campus to purchase meals, and snacks! The Freddy Bucks balance at the end of the fall semester rolls over to the spring semester if student is enrolled in a meal plan for spring semester. At the end of the spring semester, any remaining Freddy Bucks balance will be forfeited.

ID Card: Student ID card is also their meal plan card. Student must have their card to make a transaction in the dining facilities.
