

## Partnership Program

Bachelor of Science – Health Management or Health Science

FRIENDS  
UNIVERSITY

# Doctor of Occupational Therapy

Students interested in pursuing this program can obtain a Bachelor of Science in either Health Management or Health Science from Friends University and be pre-admitted to the University of Saint Mary Doctor of Occupational Therapy program.

### Students will need the following qualifications:

- Cumulative College GPA of 3.0 or greater
- Completion of the prescribed coursework.

Students who want to enter this program will need to apply after having completed 60 credit hours at Friends University. Students selected will be required to interview at the University of Saint Mary. The University of Saint Mary will waive the application fees. Selected students will meet with a University of Saint Mary representative during their undergraduate career for academic advising and review of progress.

### Advantages of the Program:

- Reserved spot in the program
- No application fee
